Greetings Ladies!

First and foremost I must apologize for the tardiness of these results. As usual something always has to happen. But here are the results finally for this show and the box will be off to the June judge Friday morning!

I have to say what gorgeous models you all have! It made judging very tough! I had to nit pick and turn to photography and mark down for cropped hooves, ears, slight blur, or even over or under exposures to sift through the beautiful entries!

With Performance it came down to little things like bit placement and dark photos that may have marked a horse down.

Anyway I got thru it even with the fickle eyes and painful neck. If I messed up the spelling of anyone's horse's names-- I apologize. I have trouble with small handwriting and /or small fonts! A couple of you have some tiny handwriting and/or font and oh woe mee poor eyes.

Congrats to all winners.
